

HEALTH COMMUNICATIONS INTERN

The Grossmont Healthcare District (GHD) is a public agency that supports health-related community programs and services in San Diego's East Region, and leases Grossmont Hospital operations to Sharp HealthCare on behalf of local taxpayers. The District is governed by a five-member board of directors, representing more than 500,000 people residing within the District's 750 square miles in San Diego's East County region. The District also operates the Herrick Library, a comprehensive consumer health library specializing in reliable consumer-level health information, on-site and online.

GHD is seeking a health communications intern to assist with GHD efforts in executing health-related resources and information access within the East County San Diego region.

An ideal candidate would be seeking to develop their skills related to health promotion and communications via a cumulative project focused on assisting with the District's new strategic plan by developing health-related campaigns. Opportunities for professional development, mentorship, and networking are available.
